REVIVALISTS

Absolutely without doubt, **prayer is the key to any and every awakening throughout history!** God's Word is very, very clear on declaring its utmost importance. *Every outpouring of the Spirit can always be traced to God's people being so desperate, so hungry for a visitation of the Almighty they literally give themselves to prayer!* Nor has it ever been short, shallow praying! No! No! Every time God's people have become so burdened, so passionate they have given themselves to `travail of soul, crying out for a visitation of the Holy Spirit the awakening has come! Hallelujah!

Their burden was for the lost, yes, for a move of God that would sweep into the kingdom countless lost, precious souls. They spent even hours pleading for it to happen! Oftentimes they would gather with others of like mind and pray, pray, pray---at times into the wee hours of the morning! Then the glory would fall, usually very suddenly.

Do you **remember the Fulton Street prayer meetings** away back in the 18th century? Evil was so rampant a few started to gather for prayer at noon, but ultimately their numbers swelled until 10,000 were uniting to pray! It was awesome! One is made to ask; wouldn't it be awesome if something like this happened again? Well, it has really! Remember: stadiums filled to capacity with 40,000 and more praying people! Not once but again and again, too. Thank God! Yes, here in our America in the last few years! Historically it was then the longed-for outpourings came! How can we ever forget the first outpouring recorded in the early chapters of Acts? We need to **remember that this was preceded by ten days of praying by the 120!** Oh, how God answered! Oh, how we need it today, too! Yes, and oh, how we need to follow their example: pray and keep on praying until....! Glory!

We need to rejoice that today in our desperately needy and wicked America once again there are deeply burdened, committed intercessors, who are even day and night **crying out for what many are calling our fourth awakening!** Only the Lord Himself knows how many are pleading for the needed visitation from on high! Scattered across our nation today, too, are many *houses of prayer* where unceasing prayer is going heavenward! Led by such anointed vessels as Dutch Sheets, Lou Engle, Mike Bickle and many others, committed prayer warriors are bombarding heaven! **Today....right now all across the nation there literally** IS UNCEASING TRAVAIL OF SOUL FOR REVIVAL to come! Oh, how we thank God! And, thankfully, you and I are counted among them, longing, yearning, and looking for His coming in such glory our nation will be pulled back to its Christian roots! Hallelujah! A thousands times, "Yes!"

But now may I ask that **perhaps you, too, like me are deeply wondering why we're not yet experiencing a glorious revival. Are you?** Very frankly, I must admit that I have been puzzled! It's become a matter of serious prayer and searching: *there has to be a reason it has not yet come*---especially when one remembers the great volume of unceasing prayer for revival that is going heavenward! Right?

Oh, yes, I've even wondered (with fear and dread) "Could it be that America in its flagrant, rampant levels of corruption, yes, and leading the world into it, too, has, possibly, crossed the line of no return and has to be judged, and maybe for that reason revival is out?" Could it be? To be perfectly honest I have wondered! Have you, too? *Oh, I hope ---and pray that we've not crossed that line!* And to be perfectly FRANK I REALLY FEEL WE HAVEN'T, ESPECIALLY WHEN SO MUCH PRAYER NATIONWIDE IS HAPPENING DAILY....weekly. Thank God!

We are keenly cognizant of the fact that down through history nation after nation have reached that tragic point and were judged! Even Israel, God's chosen people, were terribly judged! In that dark, dark era the Lord could not find even one intercessor to stand in the gap! (Ezek. 22:30 & Jeremiah 5:1)

But, happily, as of right now, yes, even in spite of the gross levels of evil in our nation **here in America God has an army of true, faithful men and women who are standing in the gap!** Glory! Hallelujah! But, having said this IS THERE A MISSING ELEMENT---or, in other words, **is there something else we need for revival to happen here in America?** *This question begs an answer!* Are you with me?

Now hear this and rejoice! **The answer is a great big, "Yes!"**

And here it is, I firmly believe. IN EVERY AWAKENING THROUGHOUT HISTORY GOD HAS ALWAYS RAISED UP POWERFULLY ANOINTED VESSELS UPON WHOM THE SPIRIT FELL! Through these the awakenings have come! Just consider this seriously! Is that not right? It's true! It's a fact!

Let's go back to Judges again! *Every time* Israel forsook the Lord and fell deeply into the idolatry and the evils of the inhabitants of the land, yes, backslid terribly, *they invariably would come to the point of desperation and cry out to the Lord in abject repentance!* Right? Absolutely every time! THEN what happened? **Always! The Lord would raise up a deliver, an anointed human vessel through whom He would bring repentance and restoration!** There was not one exception!

LIKEWISE, IN CONSIDERING THE HISTORY OF REVIVALS IN AMERICA or elsewhere for that matter, **after** deeply concerned followers of Christ, upon becoming very aware of the rampant evil, *would give themselves to passionate, unceasing prayer, repenting brokenheartedly for our wickedness, what always happened?* INVARIABLY THE LORD RAISED UP ANOINTED MEN OF GOD---**revivalists**--- *who would be so empowered by the Holy Spirit they would begin to mightily call people everywhere to repent and come back to God!* Great crowds flocked to hear them! Very often the crowds became so large they could not meet inside buildings! Just think of George Whitfield preaching to 20,000 people without a mike! And multitudes repented and came to Christ! We call them revivalists! Right? Remember?

Was it not after the Fulton Street prayer meetings that Jonathan Edwards came on the scene, aflame for God, powerfully calling people to repentance? And *always there were others, too.* He---they--- preached with such power and passion that at times folk were so moved with the reality of coming judgment, yes, and hell, too, some would grab hold of staircases to keep from falling into hells flames! David Brainerd, through whom a mighty awakening came to the Indians, was a contemporary of Jonathan Edwards.

Is it not true that **again and again throughout our history every time deeply concerned and praying followers, becoming agonizingly aware of the depths of wickedness, would travail in prayer the Lord would raise up revivalists through whom every awakening has come?** *Those are the bright spots in our history!* It was in the nineteenth century God signally raised up Charles Finney, Dwight L. Moody, and Billy Sunday, to name but a few! But there were others of less renown, but mightily used, too!

Yes, and in the 20th century the most renowned revivalist who still is alive amongst us is Billy Graham, but there were many other greatly used revivalists, too! What about Charles Price, Amy McPherson, David Duplessis, yes, and Oral Roberts who recently passed away, to mention but a few. Many of us old timers remember with much joy the good, old camp meetings and seeing many walking down the sawdust trails to the front to receive Christ, yes, and to get right with God again! What absolutely delightful, precious memories!!

AND SO IN CAREFULLY CONSIDERING ALL THIS ITS VERY, VERY EVIDENT THAT WHAT AMERICA NEEDS TODAY AGAIN...right now...**is for God to raise up some revivalists**, vessels who are totally on fire, anointed by the power of the Holy Spirit to call America back to God, to confess our sinfulness! Oh, how America needs revivalists of the caliber of Jonathan Edwards and Charles Finney--- now, today! That's God's chosen method, is it not? ALLOW ME TO SUGGEST THAT THIS PERHAPS IS WHAT WE YET NEED TO EXPERIENCE THE OUTPOURING WE NEED AND LONG FOR!

So, **beginning today, let's cry out to our wonderful Lord to raise up some new revivalists** to crisscross our nation today, calling millions to repentance and the glorious experiences of God's forgiveness. Because our nation is much more populace it no doubt means **we need a band of powerfully anointed revivalists**....A.S.A.P---now! Right?

We rejoice that God today has **some very anointed vessels He is using very powerfully even now** but not yet with the anointing of our revivalists of the past! How we thank God for each, too. But it seems to me that it's of utmost importance for us to cry out to the Lord to move so mightily on these---or anyone of His choosing--- that they might be catapulted into the same mighty anointing we see in Jonathan Edwards and Charles Finney! Oh, for the day when again vast crowds gather anywhere and everywhere, yes, even in out of doors to hear all the Word of God proclaimed! Away with the man-pleasing messages! Oh, for mightily anointed revivalists again to lead America back to God!

Remember John the Baptist? We read that "*all Jerusalem and Judea went out to hear him.*" Absolutely amazing! Oh, for that to happen again....today....now in America! **This is God's method of working...bringing revival.** *Always through Spirit-filled mighty revivalists!* Beloved, **America right now...today needs a new generation of revivalists!** LET'S CRY OUT TO THE LORD TO RAISE THEM UP THIS YEAR, that He would come so mightily upon the vessels He chooses that they will move across the length and breadth of our nation calling men everywhere to repent! Understand, know: it's God's way! **Always, only men are God's method! God comes upon men, not programs, schedules and such!**

Prayer & Praise Fuel

1. THIS MONTH'S SPECIAL PRAYER FOCUS: AMERICA'S MISLED YOUTH....

LET'S PRAY FOR AND WIN BACK OUR NATION'S HELLBOUND YOUTH! AMERICA'S YOUTH FOR more than two generations now have been left to the wolves, that is, the ultra-liberals and atheists who have been and still are in control of America's education system! And, oh, so, so tragically their corrupt curriculum is totally anti-Christian, one that scoffs at the Bible and our Christian roots!

My heart aches, yes, bleeds for our precious deceived but in so many cases searching-for-answers youth "out there"! Tragically most Christian parents really do not know what their children are being taught! We tend to trust our educators! Be warned! Each of us would be aghast and heartsick if we knew, yes, and, hopefully burn with righteous indignation, too! We are to protect them from any and all lies and false teaching that's contrary to God's Word and our faith! Right? Therefore, *it's imperative we know what they're being taught and to be His instruments in getting the vile, godless curriculum changed---back to the Bible!* Please hear me! **It is possible** IF and only IF we take action, courageously speak up, go to our knees in travail of soul and *unite!* Remember Gideon's army of only 300 against a host of 130,000! With God the seemingly impossible is possible! Glory! Did you know that one couple in Texas singlehandedly impacted the state's school curriculum? *Don't think, "Impossible!"* Rather, think, *"With God all things are possible!"* We do have God on our side! Hallelujah! Let's never forget that! *The day for inaction is over!* It's time to "fight the good fight"---for true faith in our schools!

It's time for the Church, His Body, and Christian parents, too, to really wake up and see what's happened here in our formerly Christian America! Yes, *that's past tense!* Our nation's youth are in the vice grip of our archenemy and his vast army of demons! **IT'S TIME FOR US TO BECOME EVEN AGONIZINGLY AWARE AND CONCERNED FOR THOSE COUNTLESS MILLIONS OF OUR YOUTH NATIONWIDE AND TO BECOME TOTALLY COMMITTED TO WINNING THIS WAR!** May we ask; have you sensed the darkness and confusion of our youth? *Have you heard folk in our churches travailing in prayer for our kids?* Sadly, I haven't and it concerns me---deeply!" Why not? How sad, no, tragic, for prayer really does change things---yes, and can...will turn things around! It should but **it must start in our churches---and homes as concerned Christian parents unite to pray for the kids!** Oh, **for the day the churches are uniting in travail of soul for their drifting, yes, and backslidden children---**AND FOR OUR SCHOOLS, TOO, *remembering especially the Christian kids in the system who are a minority and our Christian teachers who also are a minority!* Sadly, most Christian teachers have been intimidated to think they cannot let their light shine for Christ on our campuses, but they can! And they must! Every child should know they love Jesus and their lives, including their prayers, should attract many to ask questions! *Pray that Christian's teachers unite regularly to pray for the students and their witness in the school.* They should strongly support Christian clubs, too! *Wouldn't it be awesome if Christian parents in many, hopefully, all of our schools began to mobilize to pray together for their schools and more---to commit to seeing change...a turnaround and getting us back to our Christian roots?*

Allow me to add here: **a special call for those of us who share this heavy burden to reach out to Christian parents who do know what's happening** and are even desperately trying to win back their precious but spiritually confused, but hopefully searching-for-answers children! Let's pray with them! Let's pray faithfully for their drifting, even lost, yes, and backslidden children who are confused, doubting and have even left their childhood faith. We all know some. Let's go to those parents and pray with them ---for those precious loved ones!

David Wilkerson, founder of Teen Challenge International, writes, *"Beloved, I have discovered that God's people are hurting deeply. They are being tempted and tried and tossed about by great adversities and needs. The problems in families are overwhelming. Many sheep are groaning in misery and pain---hurting, thirsty, spiritually crippled, living from crisis to crisis."* May we suggest that Christian Moms and Dads who carry the heavy burdens for their misled, yes, and backslidden children get together to pray for them? All need encouragement! Please remember: this is not a few isolated cases but rather, a nationwide crisis!

Tragically, and with deep pain I have to say it--- *we Christians have allowed this takeover of demonic forces to happen* because rather than retaining our saltiness to prevent spiritual decay we've let it to happen before our very eyes! Yes, and so, so sadly, *yet understandably* when considering the levels of corruption "out there" the vibrant followers of Christ have pulled their children out of the national school system nationwide! What has already happened has already happened. But, *Beloved, I am deeply burdened for the masses of our children "out there" at all levels of education whom we have left to the nation's wolves of false doctrine and lies from the pit of hell! God help us! Them, too!*

-4-

The net result? NATIONWIDE, OUR SCHOOLS ARE CESSPOOLS OF CORRUPTION, ANTI-CHRISTIAN AND ANTI-AMERICAN TEACHING! That's why today the huge majority of our precious children and young people are in such a terrible mess spiritually, yes, and morally, too! They're confused! They've been misled! They're searching even desperately for right answers. I know! I am deeply concerned for some I know! Tragically the millions of our nation's youth ---and more--- are serving Satan, not our glorious Lord Jesus! **Our leaders, all those socialists and evolutionists today both in Washington DC and nationwide, were all trained and educated in our schools!** IT'S TIME TO WAKE UP, CHURCH! YES, ALL GOD'S PEOPLE, THE TRUE FOLLOWERS OF JESUS CHRIST!

Renowned pastor and author, John McArthur writes, **"Whether we like it or not, as Christians we are in a life-or-death conflict against the forces of evil and their lies. It's a spiritual war.** It's not a literal, physical conflict with weaponry....*This spiritual conflict is first and foremost a war in which divine truth is set against demonic error---*we do need to

bear in mind always that OUR GOALS ARE THE DESTRUCTION OF FALSEHOODS, NOT PEOPLE. If we are faithful, the results will be the liberation of people from the strongholds of lies, false doctrines and evil ideologies that hold them captive precisely how Paul describes our battle plan in 2 Cor. 10: 3-5 which reads, “*The weapons of our warfare are ..Mighty through God to the pulling down of strongholds; casting down imaginations and every high thing that exalts itself against the knowledge of God....*”

Therefore, it's imperative that we come to grips with this staggering challenge! Right? Should we give up, saying, “It's too late!” or “it's impossible!”? Never! That's surrendering to our vile enemy! Rather, we must, oh, yes, we must....

- 1.) **Make this colossal need a matter of daily prayer**, both individually and collectively in our churches and in our Homes, uniting to plead for our nation's precious children---our future leaders at all levels.
- 2.) **Purpose in our hearts to speak up and commit to wiping out the corruption and restoring our curriculum to our wonderful Christian roots!** *Of course, it will be a battle*, for the enemy is now in control! Only God knows what could....will happen if God's people came to grips with this evil and took a strong, consistent and persistent stand! As a nation our destiny hinges on it! Furthermore, *the eternal destiny of millions of our kids hinges on our taking action....and winning! Now that's dead serious, isn't it?*
- 3) Faithfully, **make a list of any and all the young people we know who are in the school system** and Especially those who are faltering spiritually---and pray for them, communicate with them, be responsible to help them in their walk with Christ! Let's band together to pray together for everyone of them!
- 4.) **Pray regularly for every Christian organization that's committed to reaching our children for Christ**, at all Levels---elementary to university: Child Evangelism Fellowship, Awana, Young Life, Cai Alpha, Campus Crusades for Christ and many more!
- 5.) **Mobilize classes and clubs** in our homes or in our churches to seriously and thoroughly prepare our Young people for the false teachings and lies they will encounter in college. Let's give them all the answers!

“Christians cannot remain neutral and forgo this battle for the heart and mind of America's youth! Elijah took on the state religion of Baal and Asherah at Mount Carmel. Jesus Christ took on the Greeks and the Romans at Mt Hermon in Matthew 16-17. Paul took on the Greek philosophers at Mount Mars in Acts 17. All engaged the battle. None raised the white flag to surrender. **We must do no less, OTHERWISE EVERY IDEA THAT CHRISTIANS HOLD DEAR, AS WELL AS THE INSTITUTIONS BASED ON THOSE IDEAS (HOME, CHURCH, AND STATE) WILL BE LOST. II Corinthians 10:5 makes the Christian response very clear. **It is our responsibility to overthrow “arguments and every high thing that exalts itself against the knowledge of God, bringing every thought into captivity to the obedience of Christ!** “ **Christians must capture every idea and bring each one into the obedience of Christ---or else those ideas will capture them, damage their minds and souls and ultimately destroy their lives.”****

- Tim LaHaye in *Mind Siege*-

Special Request

Once again it has been suggested to me that we compile some of these monthly *Prayer & Praise Fuel* articles into a book to be published for larger circulation and impact. We would appreciate your praying about it and sharing your convictions. And if you have any experience or helpful ideas about procedures, do share them, please! If it's the Lord's leading to take this step of faith we want to know and obey Him, too. “With God all things are possible!” Thank you!

2. WHY DO WE ALLOW THE SCHOOL SYSTEM TO CATER TO MUSLIMS?

What's the explanation that Christians in America who are a vast majority don't resist our schools favoring the Muslim religion, but nothing Christian is permitted? It's happening! But the Church, yes, *God's people almost universally are silent and never unite to stop it*, yes, and won't fight to reclaim our lost Christian freedoms! Why? How is it that godless liberals easily condone the Islamic faith but not Christianity? *Is it not because they are serving the same master, Satan?*

Challenge: Have you or I prayed about it or even have any concerns about it? Have we sought the Lord's help in knowing how to stop it? Isn't this, too, the Church's calling---to “*fight the good fight of faith*” as Paul challenges us to do? Do we not yet understand that worldwide this is how the Muslims are taking control of the world, county by county? Wake up! Speak up!

3. OH, FOR AN AWAKENING IN THE HEARTS OF AMERICA'S UN BELIEVERS....

Here, too, is SOMETHING FOR US TO BE DEEPLY CONCERNED FOR AND PRAYING ABOUT! *Almost universally the godless “out there” have seemingly reached a level of hardness and indifference that parallels that of Noah's day when all scoffed and jeered, yes, to the day judgment came! Then it was too late!* Tatsuo Akamine who labored with us in Japan for years is now an anointed out-of-doors preacher like Noah, John the Baptist, David Whitfield and others! Happily, today there's a handful of street preachers in southern California who regularly proclaim the Good News publicly. Praise God! Oh, that their number might increase a hundredfold!

Here's our deep concern: without fail they experience cursing for proclaiming God's call to repentance but almost no one ever cries out in repentance! Very frankly, this is profoundly serious, yes, and should *move us to cry out for a Spirit awakening so countless sinners*

will sense their need, yes, and the looming wrath of God--so much so that they cry out for mercy...forgiveness! Oh, for Holy Ghost conviction, causing many to cry out for salvation! In revivals this invariably happens! **Why not today here in America?** Beloved, pray, cry out to God for such a mighty outpouring of the Holy Spirit that countless precious, perishing souls will begin to seek God's face--and repent!! **When this happens it's a true awakening!!** It's happened throughout history and must happen again...today....now here in America, too!

4. URGENT CALL TO INTERCEDE FOR HAITI...

All of us have been mightily moved with compassion, yes, and pain for the millions of citizens who have survived the #.7 earthquake that literally leveled Port Au Prince. Estimates as to the numbers killed range from 100,000 -300, 00. No one knows! It's hot so decaying masses of dead bodies pose a phenomenal threat! It's a desperate situation! Oh, how we need to pray. Thank God both Christian organizations and many others have responded. *It's absolutely imperative that we both pray, yes, and give!* I John 3:17 rings loud and clear! We strongly urge that your giving be through Christian organizations like *Convoy of Hope* and *The Samaritan's Purse*.

It's essential that we understand, too, that what Pat Robertson referred to is historical fact! On August 14, 1791, *led by a group of voodoo priests they made a pact with the devil to obtain independence from France!* How tragic! God does judge nations for their wickedness! We know that! *But His purpose is to bring repentance--spiritual blessing!* Haiti has always been in unbelievable poverty and crime while on the very same island is the Dominican Republic which in vivid contrast is a very prosperous and blessed country! **Let's pray earnestly for a massive awakening that will wipe out the past and bring in an era when masses come to Christ!**

5. CHRIST FOR ALL NATION's Reinhart Bonke reports....PO Box 590588, Orlando, FL 32859

"Because of you---praying friends---over *4.9 million decision cards came in during 2009!* I wanted to take a moment to thank you for your prayers and gifts! Thank you for your partnership in this harvest. We remain grateful and *even look forward to greater things in 2010!* " **What an awesome, thrilling report of happenings in Africa!** Oh, for it to begin to happen in "godless" America this year!!

6. ABORTION BAILOUT..... Senator David Vitter writes... (1800 N Kent St., Ste 1070, Arlington VA 22209/ 703-875-3370)

"Please help stop Barack Obama, Harry Reid and Nancy Pelosi from passing the Abortion Bailout!! They are preparing legislation that will send over \$1.5 billion of your tax dollars directly to *Planned Parenthood* and other abortion providers. **Help us defeat this despicable scheme**...Ever since I arrived in the Senate I have worked to lead the fight in defense of innocent unborn children"

7. FAIRNESS DOCTRINE CRISIS....ACLJ PO Box 90555, Washington DC 200090 / (757) 226-2489/ www.aclj.org

ACLJ's Jay Sekulow writes, "From the birth of the nation freedom of speech has been central to our values, but now our government is pushing to manufacture what it calls "balance," that is, *forcing broadcasters to air points of view they don't agree with and can never agree with* and it can ultimately **drive Christians and conservatives off the air!** Unless, that is, we can stop this movement in its tracks. **We've got to move quickly.** *We have learned that this issue is anticipated to be acted upon by the FCC in only a few days!*

Just think a moment: imagine no more Christian broadcasts and no more conservative talk shows all across America and only government controlled liberal releases!! Well, **that's soon to take place unless...if we don't win in this fight to keep this very cherished freedom** we will lose it very, very soon! HEAR THIS: the Obama administration have made FOX news their special target to shut down....get off the air! **Challenge:** let's stand with FOX, asking for divine deliverance from these attacks.

8. RESTORING MARRIAGE AND PROTECTING CALIFORNIA CHILDREN....

ProtectMarriage.com's lead counsel, **Charles Cooper**, did a supreme job in his opening statement of **defense of Proposition 8 and traditional marriage.** He did a superb job in setting forth the main elements of our case:

- +Traditional marriage has served society well for centuries
- + It is s pro-child institution
- +It exists mainly "to promote naturally procreative sexual activity in a stable relationship that will nurture children"
- +That gays and lesbians were not the target of ill will or discriminatory intent in the *Yes on 8* campaign
- +That there are millions of Americans who believe in equal rights for gays and lesbians but draw the line on marriage.
- +That California voters were perfectly within their rights to decline to take a risk of suffering the consequences of destabilizing the Institution of Marriage.

"I have to confess to a feeling of being in a surreal environment. The courtroom was packed; reporters swarmed the courthouse and some of the most skilled attorneys in the nation argued before a federal judge about whether the institution of marriage somehow is illegal. **Never did I think I would see the day where God's institution of marriage---the most stabilizing, pro-family, child-benefiting institution in human history---would be on trial before a federal judge in the nation whose forefathers founded the country on the premise of "in God we trust."!!**

We're in for a real fight to save traditional marriage! The trial court proceedings are expected to last for weeks. It case will then be appealed and will end up before the United States Supreme Court. Oh, how we need to pray and to take action!

9. Scott Brown's STUNNING VICTORY IN THE MASSACHUSETTS RACE IN January.

This awesome triumph in what's considered America's most liberal state powerfully proclaims even a big majority of Americans are very deeply concerned about this administration's goals and leadership! Let's thank God! May I suggest, beloved, that God is answering our prayers? He is! Are we not praying and believing for our 4th awakening this year? Hallelujah! Yes! When that happens America will be restored to our founding fathers' faith! This is but the beginning of what we are about to see! Glory! Rejoice! Pray! Believe!

THE MID-TERM ELECTIONS THIS FALL ARE TREMENDOUSLY IMPORTANT **to get America back to vote out the corruption and re-establish our godly roots and republic! Pray that godly leaders will arise and be voted into office this fall! Hallelujah!**

10. ALLIANCE DEFENSE FUND's (ADF) Alan Sears writes, (ADF 15100 N 90th St, Scottsdale, AZ 85260 /1-800-TELL-ADF)

“Although the White House did not participate in the 2009 *National Day of Prayer* activities the President needs to hear from you that this *important national event should not be banned* and he should support this American tradition! It is seriously dangerous: if the atheists at the *Freedom From Religion Foundation* persuade courts to rule against it! It would violate constitutional protections for religious expression and set a major, chilling precedent against religious liberty.” Challenge: oh, how we need to pray...speak up!!

11. PRESIDENT OBAMA ORDERS A STAMP TO HONOR THE ISLAMIC FAITH!

Is this permissible? Absolutely not! Unthinkable! Tragic! *This is a Christian nation* and although we respect other faiths we cannot honor them! Does this not really confirm what most of us now believe, namely, that our president is a Muslim believer? So let's now bombard the White House with our opposition! Wouldn't a stamp that honors our Lord Jesus be awesome!
