Over all report

Please pray for our WyldLife ministry, we are in need of leaders and have committed to begin after camp to recruit leaders who will be here for the kids and those who desire to minister in our communities?

Please pray for us and for the winter camp trip. We are encouraged to go to camp with about 48 kids. We need 2 more vans in which I'm hoping we will not have to rent.

Please pray for the 3 team leaders as they lead while I'm gone right before the camp trip

We have a wyldlife hang out day on Feb 20 in San Francisco in which we will hang out and have fun so that we can become a team!!!!

February 4 we will have a WyldLife Leader meeting at 5:30 pm for training on what to expect at club and how to lead at club we will meet once a month JUST FOR WYLDLIFE due the need for Training.

I pray that you will continue to pray for us as we minister to middle school kids.

Reaching one life at a time!
